Community of Hope Retreat  
c/o Christ Episcopal Church  
510 Belknap Place  
San Antonio TX 78212

Our speaker, the Rev. Dr. Les Fairfield, is now a retired Church History professor and popular historical tour guide. He is returning at the request of COH members who remember him from a couple of years ago. Les is an amazingly gifted story teller who connects the experience of ancient Christians with practical applications for today. You will be blessed.
